RESPONSE TO NOTIFICATION OF NON-COMPLIANT APPEAL BRIEF

Box AF
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notification of Non-Compliant Appeal Brief mailed on October 2, 2008, Appellant submits a corrected **Grounds of Rejection to be Reviewed on Appeal** section. The Notice of Non-Compliant Brief indicated that the argument section did not contain headings tracking the grounds of rejection to be reviewed on appeal. The argument section of Appellant's brief tracks the grounds of rejection contained in the final rejection. The grounds of rejection to be reviewed on appeal as stated in Appellant's brief inadvertently included the paragraph, "Claims 19 and 24 stand rejected under 35 U.S.C. §103 based upon the *Prewo* reference." That grounds of rejection is not contained in the final office action. That paragraph has been deleted from the

grounds of rejection to be reviewed on appeal section of Appellant's brief. Appellant respectfully submits that the brief is in full compliance with the rules.

Respectfully submitted,

CARLSON, GASKEY & OLDS, P.C.
